

Venue address

Mathematical Institute, University of Oxford
Andrew Wiles Building
Radcliffe Observatory Quarter
Woodstock Road
Oxford
OX2 6GG

Travelling by train

Travel to Oxford railway station for the walking route below. From London, services run from:

- London Paddington, operated by [Great Western Railway](#).
- London Marylebone, operated by [Chiltern Railways](#).

Check the operator's journey planner for your travel date, departure times and any engineering works. [Great Western Railway](#)

Walking from Oxford railway station

Allow approximately 20 minutes.

Travelling by coach

The [Oxford Tube](#) runs between London and Oxford. For the city-centre arrival point, alight at Gloucester Green Coach Station

Local buses and taxis

The Radcliffe Observatory Quarter bus stops on Woodstock Road are close to the venue. Services listed at the adjacent stop include 300, 6, S2 and S3; check the route direction and current timetable before boarding. [View local stop information](#). [Live Departures](#)

Driving and parking

Parking at the venue is extremely limited. The Institute recommends using Pear Tree Park & Ride and taking the 300 bus towards Oxford city centre, which stops opposite the Institute on Woodstock Road.

Travelling from an airport

- From **Heathrow or Gatwick**, [the airline coach service](#) provides direct connections to Oxford's Gloucester Green Coach Station. From there, follow the walking directions above or arrange a taxi.
- For **Birmingham Airport**, the Institute identifies rail connections to Oxford as an option.
- For **Stansted or Luton**, a connection through London or Heathrow may be needed.

Accessibility and arrival

Two designated accessible parking spaces are available, subject to advance arrangements. Visitors needing assistance with building access should contact; NQCCScalabilityCF27@stfc.ac.uk.
